

Smeal College of Business Recommended Academic Plan
Program Year 2013 (Students entering their major in Summer/Fall 2013 at University Park)
actual sequence/selection will vary

Risk Management (R M) with the Actuarial Science Option (ACTSC) – Effective Fall 2011

Degree Completion: Students accepted into a Smeal College major are expected to enroll at University Park the fall semester after the entrance-to-major process has concluded. In addition, Senate Policy 83-80.5 stipulates that the college dean and program faculty may require up to 24 credits of course work in the major to be taken in the college where the degree is earned. Based on this policy, the Smeal College of Business has set the following credit earning limitations:

- All 300/400 level prescribed and additional major field courses (with the exception of entrance-to-major courses and courses identified as 3rd or 4th semester) must be completed with Smeal College faculty at University Park.
- Additional credits of 300/400 level related and supporting courses as identified by the department faculty must also be completed at University Park so the total number of prescribed, additional, and supporting courses equal 24 credits.
