

Supply Chain and Information Sciences Technology 2010

Supply Chain and Information Systems Technology Minor

[SCIST Minor Application](#)

[Department of Supply Chain & Information Systems](#)

[College of Information Sciences and Technology](#)

Overview

The minor in SCIST is structured to provide students not majoring in Supply Chain & Information Systems (SC&IS) or Management Information Systems (M I S) with the opportunity to develop working knowledge of information technology, supply chain management, and their interdisciplinary synergies. The joint minor is designed for professional careers in business, information systems, software development, consulting, and government. The successful minor must, at a minimum, possess basic knowledge of quantitative techniques, computer applications, and microeconomics.

A grade of "C" or higher is required in all courses for the SCIST minor.

SCIST Requirements — 2010 (Students entering their minor 2010)

1. **Take all of the following IST courses** (10 credits)
 - a. [IST 110](#) (3) Information, People, and Technology
