\_\_\_\_ 1<sup>st</sup> three weeks including five-day orientation and Study Tour through Central/Eastern Europe

\_\_\_\_ 2<sup>nd</sup> three-week course

\_\_\_\_ All six weeks including orientation, study tour & course

## **Course information**

All courses are 3 credits.

**Course Title:** \_\_\_\_\_

**Please attach a separate document with the following information:**

- **Course Description**  
*(Detailed description of course content and how the course incorporates local/regional focus)*
- **Learning Objectives**
- **Anticipated Pre-requisites**  
*(Any PSU student, ie. not only Smeal, can apply to these programs. ECON 102 is sometimes a good pre-requisite. Consider whether there should be a higher pre-req – ACCTG 211? SCM 301?)*

\*More detailed information about course may be required prior to course approval. A full syllabus is not required at this point.

**Additional Comments:**

Please send this form and course information by **April 1** to Vanessa Hausmann by email, [vxh27@psu.edu](mailto:vxh27@psu.edu), for consideration to teach in the following summer.

The Smeal Office of International Programs reviews proposed courses and makes decisions about what courses to offer abroad based on course marketability and overall portfolio to ensure balanced offerings to students.

**Thank you for your interest!**
